Summary

Experienced Retail Operations and Merchandising professional with a strong background in team leadership, customer experience, cash management, inventory, and store operations. Currently leading a team of 55+ colleagues in a high-volume retail environment, with responsibility for Touch Point operations, operational KPIs, compliance, performance management, and service standards. Proven ability to lead and develop teams, improve operational processes, manage inventory flow, and deliver business objectives through data-driven decision-making and cross-functional collaboration.

Experience

Touch Point Manager (Cash Till) – 2026 Present Primark, United Arab Emirates (Dubai)

Lead Touch Point and cash operations for a high-volume Primark store in Dubai, managing 55+ colleagues and supporting sales performance through strong customer service, efficient checkout operations, and effective peak-time staffing.

- Lead, develop, and motivate a team of 55+ colleagues, driving engagement, productivity, accountability, and service standards.
- Manage daily Touch Point and cash operations, ensuring accurate cash handling, transaction compliance, and loss prevention controls.
- Drive customer experience initiatives and resolve escalations effectively while maintaining brand standards and customer satisfaction.
- Coach, train, and performance-manage colleagues to strengthen capabilities and improve operational effectiveness.
- Monitor KPIs, staffing allocation, and service performance, optimizing resources during peak trading periods.
- Partner with senior management, Asset Protection, and support functions to ensure compliance, risk mitigation, and smooth store operations.
- Lead day-to-day decision-making and problem resolution within a fast-paced, high-volume retail environment.
- Support business objectives through effective people management, operational planning, and continuous process improvement.
- Drive sales by ensuring fast, efficient checkout operations that reduce queues and improve the customer journey.
- Identify opportunities to support sales growth through excellent service, product awareness, and effective customer interactions at the Touch Point.
- Maximize sales-floor coverage during peak periods by aligning cashier deployment with customer demand.
- Collaborate with store leadership and sales-floor teams to support promotional activity and deliver a consistent customer experience.
- Use customer feedback and service KPIs to identify improvements that can strengthen satisfaction, conversion, and repeat visits.
- Support store sales targets by maintaining high service standards, minimizing transaction issues, and resolving customer concerns promptly.

Experience

Assistant Merchandiser – 2025 – 2026 Victoria's Secret International, United Arab Emirates (Dubai)

- Supported the merchandising team in planning and executing seasonal product assortments tailored to brand and market needs.
- Collaborated with planning, buying, and visual teams to ensure timely product launches and optimal in-store availability.
- Monitored stock levels, sales performance, and product lifecycle to help optimize inventory and minimize markdowns.
- Prepared and analysed regular reports on sales trends, sell-through rates, and stock movements to assist in strategic decision-making.
- Coordinated with suppliers and logistics teams to ensure timely stock deliveries and resolve any shipment discrepancies.
- Assisted in demand forecasting based on historical data and market trends to support accurate seasonal planning.
- Played a key role in visual merchandising alignment, ensuring execution of floor plans and displays that reflect the brand identity and drive sales.
- Supported promotional and clearance strategies by identifying slow-moving items and suggesting appropriate actions.
- Maintained close communication with stores to gather on-ground insights and ensure alignment between merchandising and operational execution.
- **Initiated and implemented a market-wide FIFO (First-In, First-Out) stock rotation guideline**, training stores on proper procedures to reduce aged inventory and prevent stock losses.
- Worked cross-functionally to monitor FIFO adherence, contributing to improved sell-through and overall inventory health.

Personal Strength

- **Creative Problem Solving:** Proven ability to design and implement visually compelling retail displays that align with brand identity and drive customer engagement.
- **Attention to Detail:** Exceptional eye for detail, ensuring high standards in visual merchandising and accuracy in inventory management.
- **Leadership and Team Management:** Skilled in leading and training teams to achieve merchandising goals and maintain high execution standards.
- **Data-Driven Decision Making:** Strong analytical skills with experience in using sales data and market trends to make informed merchandising and inventory decisions.
- **Customer-Centric Approach:** Adept at enhancing the shopping experience through innovative displays and effective product placement, resulting in increased customer satisfaction.
- **Strategic Inventory Management:**
- Expertise in optimizing inventory flow to reduce stockouts and overstocks, improving product availability and turnover.
- **Adaptability and Innovation:** Ability to quickly adapt to seasonal trends and market changes, driving continuous improvement in visual merchandising strategies.

Experience

Merch Flow & Visual Merchandiser Supervisor – 2017-2025 Victoria's Secret International, Lebanon (Beirut), United Arab Emirates (Dubai)

- **Design and Implementation:** Created and executed innovative visual displays that aligned with brand guidelines and attracted customer attention, resulting in a 15% increase in store traffic. **Window Displays:** Designed and installed window displays to enhance
- the store's exterior appeal, leading to a 10% increase in foot traffic.
- **Seasonal Themes:** Developed seasonal themes and promotional displays, coordinating with marketing campaigns to ensure cohesive brand messaging.
- **Collaboration:** Worked closely with the marketing team to align visual displays with promotional activities and events.
- **Training:** Trained and mentored junior visual merchandisers, ensuring consistency in visual standards across all store locations. **Trend Analysis:** Kept abreast of industry trends and competitor displays, implementing new ideas to maintain competitive edge. **Inventory Management:** Assisted in inventory management and ensured that all merchandise was properly displayed and replenished in a timely manner.
- **Inventory Coordination:** Managed the receipt, storage, and distribution of merchandise, ensuring efficient and accurate inventory flow.
- **Team Leadership:** Supervised a team of 10+ associates, providing training, guidance, and performance evaluations to enhance productivity and job satisfaction.
- **Process Optimization:** Streamlined merchandising processes, reducing stock discrepancies by 20% and improving overall operational efficiency.
- **Data Analysis:** Analyzed sales data and inventory reports to forecast demand, optimize stock levels, and minimize overstock and stockouts.
- **Communication:** Maintained clear communication with suppliers, warehouse staff, and store managers to ensure timely and accurate merchandise delivery.
- **Problem-Solving:** Addressed and resolved issues related to inventory discrepancies, shipping delays, and damaged goods promptly and effectively.
- **Safety Compliance:** Ensured all merchandising activities complied with safety regulations and company policies, maintaining a safe working environment.
- **Customer Service:** Collaborated with the customer service team to address inventory-related customer inquiries and complaints, enhancing customer satisfaction
